

Getting Your Rwanda Visa Upon Arrival

Once you have cleared security, you will:

1. Go to the “purchase visa” line at the airport
2. You will likely be asked what you are doing in Rwanda; not what kind of visa you would like.
 - You are in Rwanda for work. (The Rwanda visa upon arrival is technically for tourists, but you should not have any issues entering Rwanda by answering this way.)
3. A 30-day visa will be put stamped into your passport.

Paying for your visa:

\$30.00 USD in cash or credit card.

Don't forget your letter of invitation sent to you from the Rwanda Country Program.

Please print and have on hand.
