## Farmer to Farmer Uganda Program

Location map of Host organizations

The Farmer-to-Farmer (F2F) East Africa program is a program that leverages US volunteer's expertise to assist small holder farmers. Through F2F, i) CRS will improve the livelihoods and nutritional status of low income household members through participation in established commodity value chains as producers and services providers; ii) strengthening community resilience to shocks such as droughts, that adversely affect livelihoods; and iii) preserving/enhancing natural resources' will also increase the American public's understanding of international development programs foster increased cross-cultural understanding between host countries and US volunteer

Program Period: September 2013-September 2018
