

## Transit Information

### Transiting through Australia

- Apply for a transit visa via the Australian ETA App (App available on Google Play or Apple store) if you are transiting 8 hours or more.

### Transiting through South Korea

- No visa required in transiting without departing the airport
- For travel **you must have a valid U.S. passport and a visa or an approved Korea Electronic Travel Authorization (K-ETA) to enter Korea**. Most U.S. passport holders traveling to Korea for tourism or business purposes for less than 90 days can obtain a K-ETA.
